Thus, the pay in the higher time scale will be fixed in terms of Rule 28 A Part I KSRs i.e. a notional increment will first be given in the lower scale and thereafter pay in the promoted scale will be fixed at the next stage above. No subsequent refixation of pay, based on the change of pay in the scale of the lower posts, will be allowed. The next increment in the higher scale will fall due on completion of 12 months from the date of coming over to the higher scale. He will, of course, have the option to avail the higher grade on a subsequent date not later than the date of his next increment in the lower scale.
- (ii) In all cases of regular promotions from time bound grades to posts carrying the same or higher time scale of pay, the pay in the promoted scale will be fixed in terms of Rule 30 Part I KSRs. The next increment in the same or higher scale will fall due on the date of increment in the time bound grade post.
- (iii) In all cases of regular promotions, including ratio based promotions, to posts carrying higher time scale of pay, the minimum of which does not exceed Rs.36140/- (whether it involves change of duties and responsibilities or not) pay in the promoted scale will be fixed as per the provisions of Rule 28 A Part I KSRs without refixation of pay in the higher scale consequent on change of pay in the lower scale. Next increment in the higher time scale will fall due only on completion of 12 months from the date of fixation of pay, in the higher time scale of pay under Rule 28 A. Promotees will be given opportunity to elect the date on which their pay is to be fixed in the higher time scale of pay under Rule 28 A. Two options as indicated below will be available to the promotees for fixation of pay under Rule 28 A.
 - Option (a) Pay will be fixed in the higher time scale of pay, on the date of promotion, under Rule 28 A. Next increment in the higher time scale will fall due only on completion of one year from the date of such fixation of pay.

OR

- Option (b) Pay on the date of promotion will be initially fixed at the stage of the higher time scale of pay of the promoted post next above the pay in the lower time scale of pay. Thereafter fixation of pay under Rule 28 A will be allowed,

based on the pay in the lower post on the date opted by the promotee, ie. on the date of increment in the lower post. Next increment will fall due only on completion of one year from the date of fixation of pay under Rule 28 A. If the fixation of pay under Rule 28 A on the date of option does not make any change in the pay in the higher time scale, the pay of the promotee will remain at the same stage till completion of one year from the date of initial fixation (date of promotion) of pay in the higher time scale. Next increment in such cases will be allowed on completion of one year from the date of initial fixation of pay in the higher time Scale of pay. Option for fixation of pay under Rule 28 A Part I KSR*

* (a) Consequent upon my promotions as..... with effect from FN/AN, I hereby opt the fixation of pay under Rule 28 A, in the higher scale of pay of the promoted post, with effect from the date of promotion, without any review consequent on accrual of increment in the lower post.

In such cases if this pay in the lower scale becomes equal to this pay in the higher scale consequent on accrual of increment in the lower scale, his pay in the higher scale will be fixed at the next higher stage in the higher scale of pay with effect from that date. **The next increment in the promoted post will be allowed only after completion of one year service from this date.**

(v) Where promotion posts happen to have the same scale of pay of the feeder category posts, the existing practice will continue ie. one advance increment will be granted to the incumbents appointed by promotion to the posts carrying the scale of pay of feeder category posts. Principles of Option

26. The employees may be allowed to exercise option subject to the following conditions.
- a) An employee can exercise option to come over to the revised scale of pay with effect from 01.07.2009 or with effect from any subsequent date that he opts, provided that such date shall not be beyond the date of his next promotion or one year from the date of this Government Order, whichever is earlier.
 - b) In the case of a Government servant who died on or after the date of coming into effect of the pay revision, but before exercising option, he/she may be deemed to have opted for the revised scale from the most beneficial date as desired by the Head of office, Accountant General or the department, as the case may be.
 - c) The option to retain the existing scale of pay shall be admissible in respect of one existing scale only. On subsequent reversion, the Government servant concerned may exercise option in respect of the lower post also on condition that such option will be exercised within three months from the date of reversion, failing which he/she will be deemed to have opted for the scale with effect from the date of pay revision.
 - d) If a Government servant exercises option to come over to the revised scale with effect from a date beyond one year from the date of pay revision such option shall be deemed to be invalid and shall be treated as a failure to exercise option and he/she shall be deemed to have exercised option with effect from the date of pay revision.
 - e) The option shall be exercised in writing and communicated to the Head of office or the Accountant General, respectively by the non-Gazetted officers and Gazetted officers within six months from the date of pay revision order failing which the Government servant will be deemed to have opted for the scale with effect from the date of coming into effect of the pay revision and pay fixed on that basis.
 - f) A Government servant who is out of India on leave or deputation or Foreign Service, on the date of pay revision order shall exercise option in writing within three months from the date of his taking charge of the old post.
 - g) A Government servant, who is under suspension on the date of coming into effect of the pay revision, shall exercise option within three months from the date of return to duty on re-instatement or within six months from the date of pay revision order whichever is later.

- h) Option once exercised shall be final and permission for re-option will not be granted on any account.
- i) Heads of Departments and Offices shall give proper guidance to their subordinates to select the most beneficial dates for exercising option, since re-option will not be allowed for rectification of the wrong option already exercised or for other reasons.
- j) In cases, where persons promoted after the date of pay revision, have been given retrospective promotion with effect from a date in the pre-revision period, they will exercise option in respect of the revised scale of the post within three months from the date of orders sanctioning such promotion. They will be eligible for arrears if any, as per rules.
- k) Heads of Departments and Officers should be given the responsibility to see that the contents of the pay revision orders are communicated to their subordinates, including those who are on leave, deputation and on Foreign Service, so as to enable them to exercise option within the time limit specified in the pay revision order. The fixation rules may be published prominently in Notice Board.

- (4) For direct recruits against posts carrying the scales of Rs. 22360-37940 to Rs. 29180-43640 one higher grade promotion in the scale as shown below will be given on completion of 8 years of service.

TABLE –III

Revised scale of pay in the entry post	Time bound higher grade for 8 years of service in the entry post.
22360-37940	24040-38840
24040-38840	29180-43640
29180-43640	36140-49740

- (5) For incumbents of posts on scales of pay above Rs. 29180-43640, no time bound higher grade will be allowed.
- (6) If there is a promotion post in respect of the categories of posts (entry) coming under pay range from Rs. 8730-13540 to Rs. 16980-31360 and its scale of pay is higher than the time bound higher grade proposed above, then the qualified incumbent will be given the scale of pay of the promotion post in the direct line of promotion as time bound higher grade. While assigning higher grade only qualified hands will get the scales of pay of regular promotion posts. Unqualified hands will be allowed the next higher scale of pay above that of the scale of pay of the post held at that time, in the standard scales of pay.

- (7) If the scale of pay of the promotion post is lower than the time bound higher grade proposed in the Table, the scale of pay of time bound higher grade specified above will be given by reckoning the total service in both the lower post and promotion post together. In such cases the fixation under Rule 30 Part I - K.S.R. will be admissible.
- (8) In all cases of regular promotions from time bound grades to posts carrying the same or higher time scale of pay, the pay in the promoted scale will be fixed in terms of Rules 30, Part I KSR.
- (9) In respect of categories of post coming under the pay scale ranging from Rs. 18740-33680 to 21240-37040 the time bound higher grade will be as specified in Table II of Annex- III. Scales of pay of promotion post will not be given in these cases. This is applicable in the case of employee enjoying scale of pay 18740-33680 and above whether by regular promotion or by time bound higher grade. Corresponding revised scale of pre-revised grade scale (as per annexure-I) will not be allowed in such cases.
- (10) In the case of time bound grade promotion to higher scale of pay, the pay in the higher time scale will be fixed in terms of Rule 28 A Part I KSR ie. one notional increment will be given and thereafter the pay in the higher grade scale will be fixed at the next stage above the pay in the lower time scale, as on the date of the higher grade promotion, irrespective of whether it is a stage in the higher time scale or not. Refixation based on due date of increment in the lower scale will not be given.
- (11) In case the 15/22 year higher grades as per the table above are equal to or lower than the first promotion post/ second promotion post as the case may be, that grade (s) will be modified and fixed at the next higher scale (s) above that of the promotion post (s) in the list of standard scales of pay.
- (12) Non-teaching staff in Aided Schools, Private Colleges and Polytechnics who come under the scheme of direct payment of salary by Government are also eligible for time bound grade promotion subject to the above conditions.
- (13) The service rendered in the entry post and reckoned for normal increments may be treated as the qualifying service for granting higher grades in that post.
- (14) The term 'entry post' shall be defined as the post to which an employee is initially appointed in Government service by direct recruitment by the competent authority. Appointments made by PSC by transfer from other categories will also be treated as equivalent to direct recruitment for allowing the benefit of higher grade. However, promotion to a post in the direct line of promotion in a Department to be made on the basis

of select list prepared by the Departmental Promotion Committee, cannot be treated as direct recruitment for allowing the benefit of time bound higher grade. The time bound higher grade admissible will be determined with reference to the initial entry post in the present department only. Service in different posts having same scale will not be treated as qualifying service. Similarly in the case of employees who get inter departmental transfer (interdepartmental transferees), their prior service in the same post in the former department may also be reckoned as qualifying service for time bound higher grade. Those who get regular promotion or appointment to higher posts within the period specified for each time bound higher grade may not be granted further time bound higher grade during that period.

- (15) All appointment by transfer except the promotions/appointments from subordinate service to State Service may also be treated as equivalent to direct recruitment for sanctioning Time Bound Higher Grade.
- (16) Those who relinquish regular promotions will not be given time bound higher grades as at present.
- (17) The employees in the scales of pay of Rs. 8730-13540 and Rs. 8960-14260 will be eligible for reckoning their service in the last grade for allowing 22 years higher grade. This benefit will not be allowed to employees in the posts having the revised scale of Rs. 9190-15780 and above.
- (18) Military service which will count for civil pension of Ex-serviceman will be reckoned as qualifying service for allowing first higher grade. However ex-servicemen enjoying protection of pay will not be allowed this benefit. In that case service under State Government alone will be reckoned as qualifying service. Period of leave on loss of pay which will not be taken, into account for granting increments will not be reckoned as qualifying service.
- (19) All other existing general terms and conditions governing grant of time bound higher grade promotions may continue subject to the modifications issued by Government from time to time.
